

Facing Divorce

Divorce happens for a variety of reasons, and when it does, **Divorce Recovery** will help to answer some of life's most difficult questions:

“How deeply has this affected me?”

“How will I ever recover from it?”

It takes courage and humility to confront our deepest fears. **Divorce Recovery** at UPPC is a safe place to share your thoughts, feelings and emotions and to begin the process of healing through faith, hope and love.

We understand that these questions are difficult but they are so important for growth and insight during the experience of divorce.
